

Increase your IPV for instant withdrawals, or wait **30+** days until your withdrawal is processed manually.

Your IPV (Instant Payout Value) is **Low** | [What is IPV?](#)

IPV allows you to withdraw instantly without waiting days for manual processing.

- Upgrading BTOnline will greatly increase IPV and make withdrawals process faster.
- IPV increases every time your referrals upgrade their BTOnline. We strongly recommend to invite referrals.
- You can upgrade to PLATINUM, this is the highest plans and have infinite IPV.
